

# Assembly Instructions

## Volleyball Net Winders by Progressive

### ⚠ Caution

- ① Read instructions through completely before proceeding.
- ② Before each use check equipment for proper connecting hardware and structural integrity.
- ③ Casters should be kept clean and free from debris to protect playing surface from damage.
- ④ Use of this equipment, other than intended may be hazardous and result in injury. Do not ride on cart. Injury and/or damage to cart could result.
- ⑤ Alteration or modification of this equipment may be hazardous and result in injury. For repair or replacement, contact your dealer or Progressive.
- ⑥ Unpack all parts and check against parts list to ensure that all have been included.
- ⑦ Inspect all parts for damage. Report any damages to the trucking company.

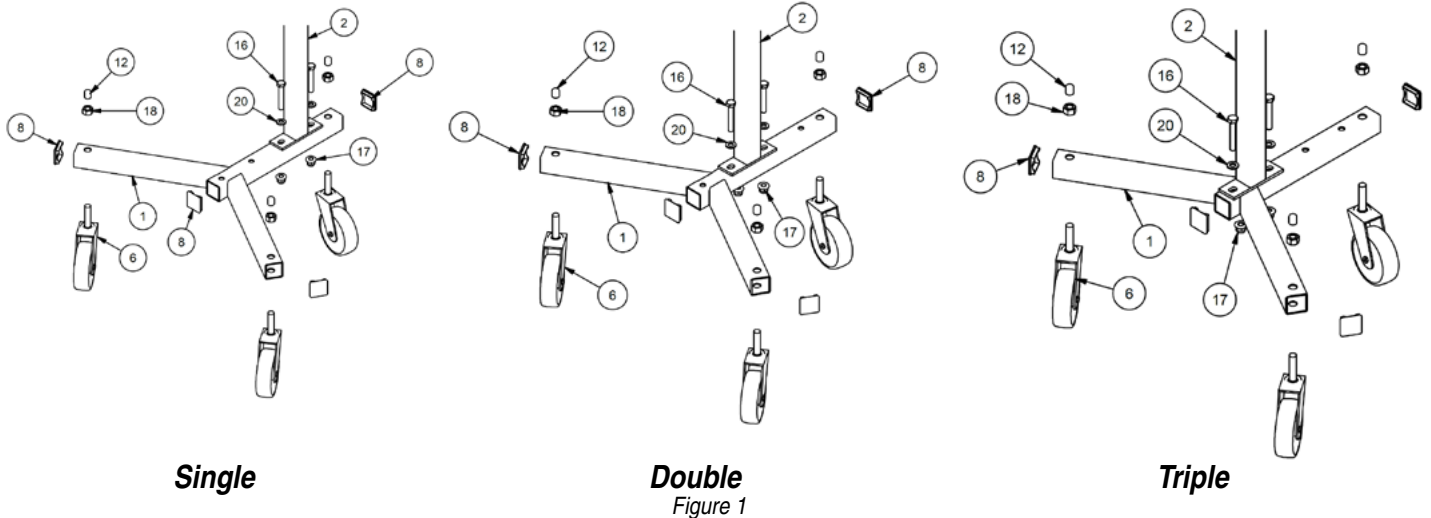

*These instructions are meant as a guide only. They do not imply any responsibility on part of Progressive for improper installation or faulty workmanship at the jobsite.*

Tools required: Socket Wrench and or Box Wrench (1), Allen Wrench (1) and Rubber Mallet (1).
