

**Official 54" x 39" Fan Glass  
Basketball Backboard**

by

### Specifications—503150

*Official 54" x 39" Fan Glass  
Basketball Backboard*

### Product Description

503150 Bank shall consist of ½" thick tempered glass (54" x 39"), and shall conform to guidelines outlined under ASTM C 1048-85 ANSI Standard Z97.1, U.S. Consumer Products Safety Commission Standard 16 CFR 1201 C1 and CII, Federal Specification DD-G-001403.

All holes in glass for purpose of hardware mounting shall be drilled oversize at 1¼" and shall be protected from hardware contact by a rubber grommet with no less than 3/16" wall thickness.

Perimeter frame shall be composed of high strength aluminum extrusion, with a clear anodized non-glare surface which requires no maintenance.

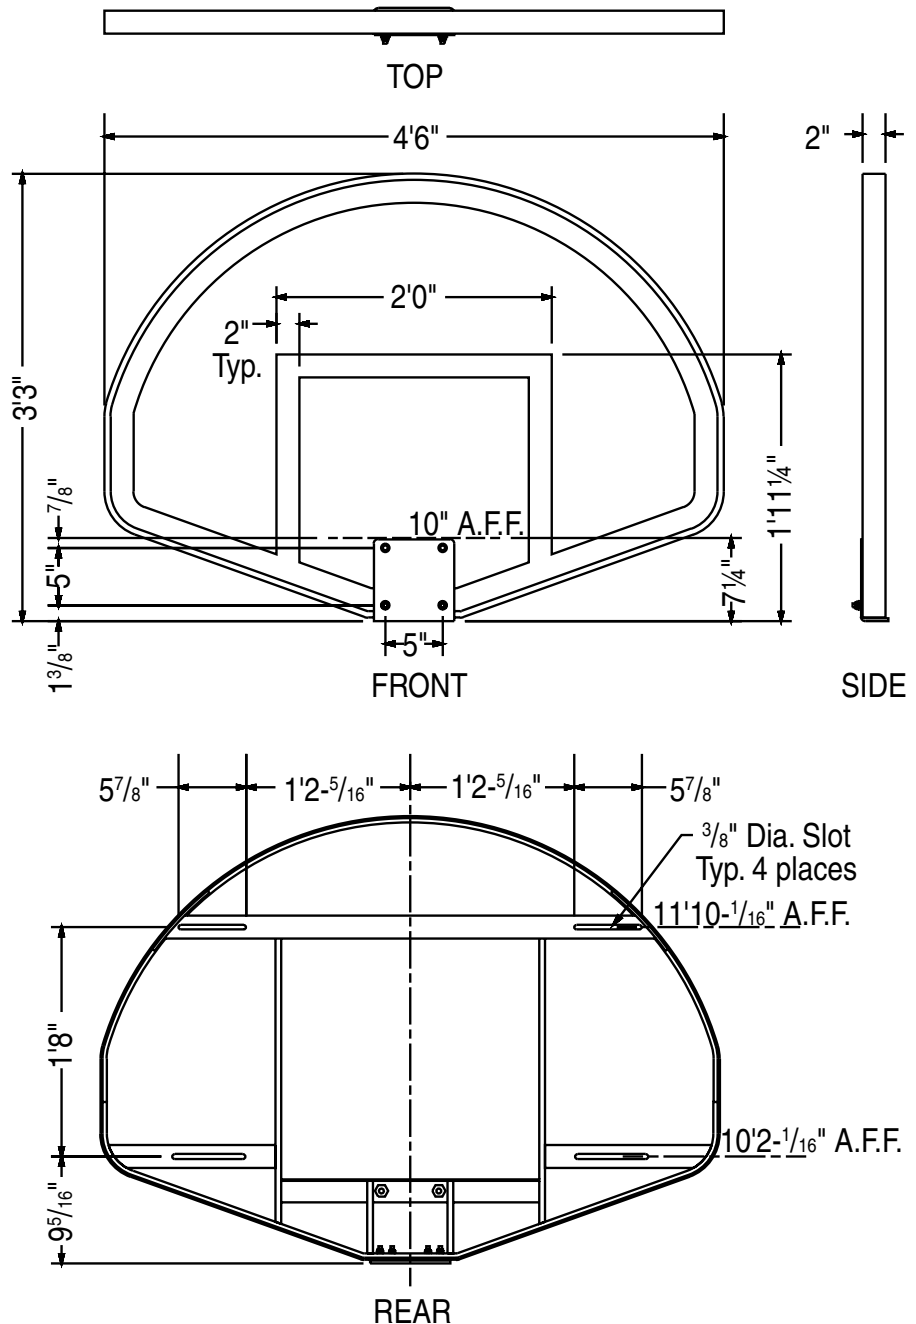

Official white border and target areas are permanently fused onto the glass and cannot wear away.

Mounting brackets (4) with slots provided on perimeter frame of bank at standard mounting centers, 35" w. and 20" h.

Goal mounting structure shall be of a heavy, high tensile aluminum plate which is secured to lower frame to minimize stress on glass. Goal mounting holes (4) shall be standard 5" (horizontal) x 5" (vertical) mounting centers. Use with most Progressive Sports Construction Group goals.

### ***Lifetime Limited Warranty***

Backboard shall be covered by a Lifetime Limited Warranty when installed on a Progressive Sports Construction Group basketball backstop with Goal Brace or Direct Mount Height Adjuster. Contact Progressive Sports Construction Group to request full warranty text.
